Hi  
You should have an email with copy of Fran's letter attached The Council want to discuss your 'dealbreakers' before doing anything else on the grounds that there's no point in spending time on other issues if we can't get them out of the way.

Hello  
I've been out of the office all day so we've not seen Fran's letter yet.  
Happy to try to find other dates - will ask to do that (she is on leave but back next week)  
The Interim Board will need to decide who it wants to put forward for this work at its next meeting.  
Can I assume that and I will agree the draft paper by 3 Dec so we can send as an agreed paper to the Interim Board??  
Best wishes

Hi  
Further to Fran's letter I'm writing to ask if you could identify some possible dates pre Xmas when your team would be available to meet us to begin exploring your 'deal breakers'.  
In absence on sick leave - hopefully only till Monday I'd also like to suggest we cancel the proposed officers meeting next Fri 3rd.  
Our Council are clear what they want to discuss and they want to be involved so I suppose that's a clear direction for us.
