31 January 2011

Dear Fran

Thank you for your letter of 28 January 2011. As Corinne, Jamie and Kate said to Hilton in Worcester, we would like to meet and have a discussion to clear the air. We know that for you this is about working with Unison. For us it is about the allegation that we have behaved unethically, which we do not accept.

We suggest that we need to agree the purpose of this meeting, which would be to clear the air and to agree its outcome, which would be to agree the nature of future engagement. We also suggest that we will need to agree ground rules at the start of the meeting, or, if you prefer, in advance of it. Clearly we all need to be assured that we negotiate in good faith. We also suggest that, given the complexities of the issues, it will be important to have a neutral observer/minute taker at this meeting, so that we have an agreed record.

Could you let us know who you propose to bring to such a meeting? And suggest some dates.

Yours sincerely

Professor Corinne May-Chahal and Maurice Bates
